

**Church of Christ  
Barcelona Venezuela  
January/February 2017**

Dear Brothers,

May the peace of God and of our Lord Jesus Christ be with each one of you. This reporting period has given us **great blessings!** Three people were reconciled to the Lord:

- Luisa Gonsalez
- Mariany De Maita
- Maria Alejandra Munoz

Maria Munoz is now 36 years old. She was baptized when she was 16 years old. She was with us in the church for a couple of years, but later left the faith. When she arrived recently to our church building we shared great tears of joy together. That same day she was reconciled to our church family and to God. Truly, the work of the Lord is not in vain.

We also had a couple move from another Church of Christ to the Barcelona area. They will now be congregating with us.

**The ministry with children with cancer**

Please continue to pray for the ladies that minister every Wednesday to the children in the Barcelona hospital for cancer.

**Preachers Meeting**

We had our regular Preachers Meeting for the state of Anzoátegui. The objective of these meetings is to maintain friendship and fellowship among the men that work for the Lord in the different congregations of our state.

**Our Ladies Ministry**

Prayer Vigil for the ladies. During this event the Life Group that meets in the University Sector studied the book of Ecclesiastes. It was a great blessing.

### **Evangelistic Activity**

In one of our local city parks we had 88 ladies (Christians and visitors) gathered together. We made some good contacts out of this gathering for future Bible studies. Another blessing is that I had the opportunity to go and help Ana at this event. It was a beautiful moment. May God continue to bless these ladies! We want to thank you for your participation in helping this activity happen. Other activities at this event include: drama, games, and competitions.

### **Regional Preachers Meeting**

For this particular meeting we met in the city of La Toscana. This meeting was for all the preachers throughout the Eastern part of our country.

This same date our church had a **Prayer Vigil** for our local congregation.

Our **Youth Ministry** recently studied the book of Titus, and was able to have a debate regarding the details of this book with the Youth Groups of Tabera and Las Charas.

Our brother **Guillermo Lenys and I** were invited to teach for the Church of Christ in Las Charas. It was a very good meeting that was organized by the brethren of that congregation.

We had an evangelistic meeting in **El Hatillo**. This location is about an hour from Barcelona. When I extended the invitation after the Bible Study we received indication from one couple and also one youth to study the Bible. Please be praying for this new ministry in this town.

**Please** continue to **pray** for our ministry and for the Church of Christ throughout our state (the state of Anzoátegui).

In Christ,

**David Guaicara**
